The new administration will take over immediately after the swearing of their oaths of office.

Open-opens will be held as often as physically possible.

## SCHEDULE OF UPCOMING EVENTS

- Sat., Jan. 11 ---- The Exam Hairy Buff will be held as scheduled. This will consist of a C-room party with dancing etc. A large punch of sorts will be provided and served from an enticing container. Cecil B. deFranklin will present his second cinema attempt. It is reported that this movie makes Candy seem like Mary Poppins. The festivities are slated to begin shortly after the Md. basketball game. The movie will probably start at 10:30.
- Sun., Jan. 12 ----The Selections Committee will sponsor its second rush open house for freshmen & others interested in the house. The first open house was fairly well attended by the frosh from the hill, but it was not well attended by Taylor men. There were an awfully lot of people interested in the selections when elections were held. What has happened to this interest. People who were interested enough in the house to run for office should prove that this interest was more than a fleeting fancy. As of the first of February there will be an opening on the Selections Committee. This space will be filled by election. This week's open house should show who is really interested. The open House will start at 2:00 and run until about 5:00. Free beer will be available. Lets all do this right! We want each member to make a special effort to make the freshmen feel at home. The ~~Super Bowl~~ will be on the tube. Try to meet the freshmen, get them a seat to watch the game, don't say 'go frat' or the like, keep the flamboyant tube watchers quiet, offer to get the freshmen a beer, and try to get to know a couple of them--let us know if you meet anybody who is good. Rush has to be a total house project.
- Sat., Feb. 1 ----Rush Party at the Holiday Inn. A large turnout from the house is necessary for this type of function. No one will think much of a social program to which house members do not bother to come to. Again rush is the responsibility and concern of all. Get a date and be at the party.
- Tues., Feb. 4 ---- Dinner and discussion with our esteemed University president, Dr. Knight. Those who do not come to the dinners have no basis to knock them; those who do come are given a good meal.
- Fri., Feb. 14 ---- Taylor Sweetheart Ball. This is the

most expensive undertaking which Taylor has ever had. The social and academic committees are working together for this. It is a dinner-dance with a speaker of some pertinence to the theme of the party. The dress is coats and ties for the men, cocktail dresses or the like for the girls. Since it is on Friday you should be able to get dates. Steak is on the menu for dinner which is held at the fanciest room in town-- the Ambassador Club. Get a date and make this function a success. (Note: no official Taylor Sweetheart will be chosen)

Lets start the New Year off right. Participation is the key. Make the effort, you'll find that it is worth it.
